Dear John Griffin:

Congratulations on your continued eligibility for certification as a Disadvantaged Business Enterprise (DBE) by the City of Chicago. This Disadvantaged Business Enterprise (DBE) certification is valid until **June 30, 2013**; however your firm must be re-validated annually. Your firm's next annual validation is required by July 31, 2011.

As a condition of continued certification during this five-year period, you must continue to file a No-Change Affidavit within 60 days prior to the date of expiration. Please note that you must include a copy of your most current Federal Corporate Tax Return. Failure to file this Affidavit will result in the termination of your certification.

You must also notify the City of Chicago of any changes in ownership or control of your firm or any other matters or facts affecting your firm's eligibility for certification.

The City may commence actions to remove your firm's eligibility if you fail to notify us of any changes in ownership, management or control, or otherwise fail to cooperate with the City in any inquiry or investigation. Removal of eligibility procedures may also be commenced if your firm is found to be involved in bidding or contractual irregularities.
