Capacity to Meet Requirements

AGB Employees/Personnel

We have approximately 600 full- and part-time employees.

We provide nationwide armed and unarmed security guard services with our strategic partners.

We have the capability to provide nationwide service in computer information (virtual) security.

Special Response Team

SRT purpose and operational objectives are containment and apprehension. This may involve locating and isolating suspects, rescuing injured persons, evaluating threatened areas and utilizing special tactics and resources to affect suspension in a manner that affords minimum risk to AGB Officers, Law Enforcement and our clients who may be directly or indirectly affected. In the event of any emergency, AGB’s SRT Team will be the first responders to the situation.

Special Service Area (SSA)

- Community Policing Capabilities working directly with the Chicago Police Department and local businesses to decrease crime, loitering, gambling and theft in and around businesses in the community.
- Special relationship with area police and various districts we protect.
